PATRICK JUAN

FRONT END DEVELOPER
UI/UX DESIGNER

My name is **Patrick Juan** and I'm an **Informatics Engineering** graduate from **Brawijaya University**. I have a passion in designing user interfaces on mobile and web apps. I'm proficient at prototyping using Figma and realizing designs into web pages using HTML, CSS, PHP, and JS frameworks. I am also capable of using Kotlin and XML to make an android app interface design.
